

### **Accommodation recommendations close to campus**

There are many hotels in the Torrance area. Below are listed a few recommended hotels within 1-4 miles west of the Lundquist Institute campus. Areas east of campus have fewer services available.

**Miyako Hybrid Hotel** 21381 S. Western Ave., Torrance; (310) 212-5111. This hotel has a corporate rate for visitors to the Lundquist Institute, if you identify yourself as such and request at the time of booking. It is closest (approx. 1 mile) to campus and is adjacent to a strip-mall of Japanese restaurants. <http://www.miyakohybridhotel.com/>

**Courtyard by Marriott** 2633 West Sepulveda Blvd., Torrance; (310) 533-8000. Contact Yvette Pineda to request a discounted rate for attendees at the Lundquist/Harbor-UCLA conference ([yvette.pineda@marriott.com](mailto:yvette.pineda@marriott.com)). About 3 miles from campus. <http://www.marriott.com/hotels/travel/laxto-courtyard-los-angeles-torrance-palos-verdes/>

**Torrance Marriott** 3635 Fashion Way, Torrance; (310) 316-3636 or 1-800-228-9290. It is adjacent to Del Amo Mall, a large covered shopping center with scores of shops and restaurants; about 3.5 miles to campus. <http://www.marriott.com/hotels/travel/laxtr-torrance-marriott-redondo-beach/>

**Double Tree by Hilton** 21333 Hawthorne Blvd., Torrance; (310) 540-0500 or 1-800-445- 8667. Across the street from Del Amo shopping mall. <http://doubletree3.hilton.com/en/hotels/california/doubletree-by-hilton-hotel-torrance-south-bay-LAXTHDT/index.html>

**Residence Inn by Marriott** 701 Torrance Blvd., Torrance; 1-800-331-3131 for reservations. <http://www.marriott.com/hotels/travel/laxtc-residence-inn-los-angeles-torrance-redondo-beach/>

For less costly options consider **Howard Johnson**, **Best Western Plus** or **Extended Stay America** on Torrance Blvd. between Hawthorne Blvd. and Madrona Ave.

### **Closer to the beach, but further from campus**

Local beaches are 6-8 miles west of campus, so hotels there have longer drive times (~30 minutes). If want to see the beach or sea, or incorporate a morning or evening run or walks by the ocean into your stay, you might consider one of these. The “Riviera Village” area in Redondo Beach, and Pier Avenue in Hermosa Beach have an excellent selection of restaurants, bars and coffee shops.

**Sonesta Redondo Beach and Marina**, 300 N. Harbor Dr., Redondo Beach; 855-516-1090. Across from a marina and short walk to beach, Redondo Beach pier and restaurants. <https://www.sonesta.com/sonesta-hotels-resorts/ca/redondo-beach/sonesta-redondo-beach-marina>

**Portofino Hotel and Marina**, 260 Portofino Way, Redondo Beach; 310-421-4195 or 1-800-468-4292. Directly on the water within sniffing distance of sea lions. <http://www.hotelportofino.com/>. Corporate rates may be available for Lundquist visitors and must be requested at the time of booking.

**Beach House**, 1300 The Strand Hermosa Beach; 310-374-3001, reservations 888-895-4559. A splurge on The Strand... and next door to Good Stuff Restaurant, a favorite for a quintessential SoCal beach breakfast. <http://www.beach-house.com/hermosa-beach/>

**Best Western Plus Redondo Beach Inn**, 1850 South Pacific Coast Highway, Redondo Beach. No frills and on busy PCH, but only a few blocks to the sand and plenty of restaurants in the Riviera Village neighborhood. **Quality Inn and Suites Hermosa Beach**, 901 Aviation Blvd, Hermosa Beach; 310-374-2666. No frills suites close to PCH, but easy walking distance to Hermosa Beach’s Pier Avenue with plenty of restaurants and beach life. <https://www.choicehotels.com/california/hermosa-beach/quality-inn-hotels/ca041>

### **Travel**

Torrance is roughly equidistant between LAX and Long Beach airports, though LAX has many more flights. Driving time between LAX and Lundquist/Harbor-UCLA ranges from 20 minutes to 50 minutes or more depending on traffic. Hotels generally do **not** provide transportation from the airports. There are numerous van services, taxis and rideshare options. For travel between your hotel and the Lundquist Institute you will likely find it most convenient to rent a car or use a taxi or rideshare service. Although public transportation exists, it is limited and not very timely. If using GPS navigation, use the address: **21840 Normandie Avenue, Torrance CA 90502** to locate the campus.
